Is there anything else you would like us to know that will help make your trip?

GUEST	TELL US ANY MORE!
Bren Martinez	We're looking forward to a fun and memorable charter!
Queen Martinez	This will be our first time visiting Croatia, and we are very excited to explore the country and experience its beauty and culture. We would love a balance of adventure, relaxation, and cultural experiences throughout the charter. We enjoy discovering beautiful hidden coves, exploring historic towns, and sampling authentic local cuisine. Sunset cocktails and a special dinner onboard would make the trip even more memorable.
